

## **REPORT OF THE OCTOBER CRUSADE IN PAKISTAN**

### **October crusade 2016**

This gospel crusade was conducted in a village call Warbarton. This was the very first crusade ever happened here. The calling and heart of RTU Mission is to reach the Unreached and preach where the gospel has not been preached before.

Every crusade is a miracle in this nation. After months of hard work and a lot of money spent on the advertisement and preparation of the crusade. We have to trust God for the miracle of permission from the local government. We praise God! We got the permission on time.

First gospel night I was amazed to see the openness of people for the word of God. Every night when a clear message of the gospel was preached. People were taking in every word of the gospel and they responded to the call of salvation with joy and boldness. Over **7139** people took a decision to follow Jesus during this crusade.

### **The Lord has performed many mighty healing miracles.**

A woman had on her foot an open wound for last 23 years. There was cancer in the wound. The Lord touched and the open wound was healed instantaneously after the prayer for healing.

A woman had tumor under her arm for many years. She went for surgery but after couple of months it came back even bigger than before. She was having constant excruciating pain. The Lord touched her and the tumor disappeared. She testified her healing miracle with tears of joy.

A boy who is about 14 years old was born mute the Lord opened his tongue and he started to speak.

A young girl had an infected goiter (growth) on her neck and after the prayer it disappeared.

A woman had tuberculosis for last many years the Lord touched and healed her.

A young boy had fractured arm and could not move. The Lord healed his arm.

Many people got healing from various pains in their body.

The Lord delivered many demons possessed who were in the bondage of Satan for years.

Please pray for the effective follow up of the crusade.

**Pastor leaders conference**

In 3 pastor leader conferences we have equipped over **618** leaders.

**18** people were baptized in water in a local well in the crusade village

**RTU November Crusade 2016**
